

# Wisconsin Illinois Musical ANTIQUE PHONOGRAPH SOCIETY

## INFORMATION FOR NEW MEMBERS:

Our **WISCONSIN, ILLINOIS MUSICAL ANTIQUE PHONOGRAPH SOCIETY, KNOWN AS WIMAPS** organization is a group of dedicated collectors who regularly meet four times per year for the purpose of extending our knowledge, learning from others by sharing collections and generally have a good time. These get-togethers include meeting at a collector's home; attending a local music or jazz festival; an informative dinner meeting; meeting for a holiday party; or special museum event. Occasionally our meetings are highlighted by an auction or an informative presentation by a member. The quarterly newsletter, *The Badger Talking Machine* updates members on activities, includes informative articles and helps promote regional events. Our family dues are \$14.00 for a two-year membership. Visit the WIMAPS website at: [www.wimaps.org](http://www.wimaps.org)

We also support the national society "**The Antique Phonograph Society**" which is a wealth of information for collectors. We hope you consider joining **APS**. Visit their website at: [www.antiquephono.org](http://www.antiquephono.org)

---
